Chairman's Welcome

Welcome to our 4th race meeting of 2025!! Our last race meeting was British ACU Vets Championships which continues to grow in popularity with over 400 riders entering the event that has become one of must attend events of the year for Vet riders.

Very sadly tragedy did strike the event when long-time supporter of the event , Over 50s Novice Class rider Kevin Pride, from Gloucestershire, pulled off the circuit on the final lap of his second race of the day and collapsed. Despite the best medical care possible and instant attention to his situation, he was unable to regain consciousness and very sadly passed away. The Luton and District MCC would like to send our condolences and best wishes to his family and friends. RIP Kev Pride #94

For this race meeting we have our usual classes for Experts, Juniors, Over 40's, Over 50's and Over 60's. The Experts will race together with the fastest 30 Juniors (but be scored separately) , the Junior B's will have their own race, the Over 40's will race on their own and the Over 50's and Overs 60's will race together (but be scored separately).

I would like to extend a big thank you to all the Luton Club Committee members who volunteer their time to make these race events happen, along with all the hard-working marshals & medics without which we simply couldn't go racing.

Mad 4 Dirt are with us to provide spare parts and tyre fitting service, they can be found near the main entrance next to our fantastic catering van which is always worth a visit.

I hope you all have a great days racing!

Paul Burn (LDMCC Chairman)

RIP Kev Pride #94

Reminder To All Riders

- No riding in the paddock of any kind will be tolerated (other than in designated rider lane)
 - If you are caught riding in the paddock you may be docked places from your race results.
- **No Electric Motocross bikes are allowed to compete at this race meeting.**
- Use of Electric Pit Bikes or Mountain bikes are not allowed on the site
- Dogs must be kept on a lead at all times
- Environmental mats are encouraged
- NO starting engines until 09:30am
- Only start your bikes engine in paddock when necessary
- All machines maybe sound tested under ACU guidelines (lower than 96DbA for 2 stroke & 94DbA for 4 stroke)
- **Number panel rules ** Please read carefully****
 - Number plates will be a minimum of three in number on all machines and it is the rider's responsibility to ensure that the numbers are displayed and clearly visible on all 3 plates of the bike.
 - No metallic or reflective colours may be used in any circumstances.
 - The colour of the numbers must be either black or white. The most contrasting colour to the background must be chosen to enable the numbers to be clearly visible from a distant. For example Yellow backgrounds should have a black number as opposed to white.
 - If your number board and numbers are deemed by the scrutineer or clerk of the course not to be clearly visible from a distance, then the rider will need to address the issue before being allowed to race/ continue to race.
-
- **It is compulsory that riders/passengers wear, as a minimum, back and chest protectors, incorporated within the suit or worn separately. It is advised that all riders and passengers should wear a body belt/kidney protector**
- Flag Signals as per ACU guidelines. Please note Yellow Wave - great danger, prepare to stop, no overtaking **(A significant reduction in speed must be seen, jumps should not be attempted)**
- When riders are not racing, you are a spectator and should act as same and stay behind double ropes and out of prohibited areas.
- The farm area (including buildings) are out of bounds to all public/riders
- **The club is run by a small group of volunteers who give up their time to make this happen. Mistakes can happen and we will always try and rectify them but please always be respectful to our volunteers when raising any issue.**

If rules are not adhered to you will be asked to leave the meeting
