### **Drop Score**

If we run 4 or more championship rounds then each riders lowest score will be dropped when calculating the overall scores and positions. If we run 3 or less rounds then all rounds will count.

### **Championship Tie Break**

Once all the total championship scores are calculated (allowing for dropped scores where applicable) , if there a tie on points between riders then the final positions will be decided by who finished higher in the last championship rounds. Eg if there is a tie between 2 riders and rider A finished 4<sup>th</sup> at the lest round and rider B finished 5<sup>th</sup> at the last round then rider A would finish ahead of rider B in the overall championship.
