Chairman's Welcome

Welcome to our 1st race of 2025!! A lot of work has been going on during the off season to help improve the track and venue. A special thanks should go to all the track volunteers that have given up their time to get the venue are in a great condition. We are a not for profit club and any money that is made by the club goes back into the track, this off season the club have invested in track maintenance equipment and new fencing.

Another big thanks goes to all the riders that have booked in for this meeting. We have had a fantastic response with over 200 riders booked in!! So thanks a lot for your support we really appreciate it. We have our usual classes at this event with classes for Experts, Juniors, Over 40's, Over 50's and Over 60's.

We have some top calibre riders entered at this meeting so we are sure to see some cracking action through out all the classes. Especially in the Expert Class where we have a number of ex Grand Prix riders and National Champions.

I would also like to thank all the Luton Club Committee members who volunteer their time to make these race events happen, along with all the hard-working marshals & medics.

Mad 4 Dirt will once again be with us to provide spare parts and tyre fitting service, they can be found near the main entrance next to our fantastic catering van which is always worth a visit.
