Chairman's Welcome

Welcome to our 2nd race meeting of 2025!! Our April bank Holiday meeting was great success with over 200 riders and lots of spectators turning out to watch some great racing. Thanks to everyone that came we do appreciate your support.

For this race meeting we have our usual classes for Experts, Juniors, Over 40's, Over 50's and Over 60's but we are also joined by the popular NGR Championships. The NGR Motocross Championship was started in 1988 by Nigel Read. It was designed to get Junior riders back riding at a mature age and has gone from strength to strength with full line ups at most of their races.

I would like to extend a big thank you to all the Luton Club Committee members who volunteer their time to make these race events happen, along with all the hard-working marshals & medics without which we simply couldn't go racing.

Abingdon Off Road will be with us to provide spare parts and tyre fitting service, they can be found near the main entrance next to our fantastic catering van which is always worth a visit.

I hope you all have a great days racing!

Paul Burn (LDMCC Chairman)
