Chairman's Welcome

Welcome back to Old Park Farm, Toddington for our final race event of the year – the 5th round of our Club Championship featuring the Steven Barnwell Memorial 'Dash 4 Cash', kindly sponsored by the Barnwell family.

Our September meeting proved to be a challenging one with wet conditions in the morning making for a difficult start. However, as the day progressed, the weather improved and so did the track, allowing for some great racing in the latter part of the program.

A heartfelt thank you to all our members and guest riders for their continued support during 2025. Your commitment to the club and the sport is what keeps our events alive and thriving.

I would like to recognise the contribution of the committee and those who volunteer their time to prepare the track and the facilities here at Toddington – without them, none of this would be possible. This also extends to our loyal sponsors: DBC Motorcycles Dunstable, Chasestead & Octane Junkies.

We look forward to seeing you all in 2026, for another fantastic season of racing!

Paul Burn (LDMCC Chairman)

Reminder To All Riders

- No riding in the paddock of any kind will be tolerated (other than in designated rider lane)
 - If you are caught riding in the paddock you may be docked places from your race results.
- **No Electric Motocross bikes are allowed to compete at this race meeting.**
- Use of Electric Pit Bikes or Mountain bikes are not allowed on the site
- Dogs must be kept on a lead at all times
- Environmental mats are encouraged
- NO starting engines until 09:30am
- Only start your bikes engine in paddock when necessary
- All machines maybe sound tested under ACU guidelines (lower than 96DbA for 2 stroke & 94DbA for 4 stroke)
- **Number panel rules ** Please read carefully****
 - Number plates will be a minimum of three in number on all machines and it is the rider's responsibility to ensure that the numbers are displayed and clearly visible on all 3 plates of the bike.
 - No metallic or reflective colours may be used in any circumstances.
 - The colour of the numbers must be either black or white. The most contrasting colour to the background must be chosen to enable the numbers to be clearly visible from a distant. For example Yellow backgrounds should have a black number as opposed to white.
 - If your number board and numbers are deemed by the scrutineer or clerk of the course not to be clearly visible from a distance, then the rider will need to address the issue before being allowed to race/ continue to race.
-
- **It is compulsory that riders/passengers wear, as a minimum, back and chest protectors, incorporated within the suit or worn separately. It is advised that all riders and passengers should wear a body belt/kidney protector**
- Flag Signals as per ACU guidelines. Please note Yellow Wave - great danger, prepare to stop, no overtaking **(A significant reduction in speed must be seen, jumps should not be attempted)**
- When riders are not racing, you are a spectator and should act as same and stay behind double ropes and out of prohibited areas.
- The farm area (including buildings) are out of bounds to all public/riders
- **The club is run by a small group of volunteers who give up their time to make this happen. Mistakes can happen and we will always try and rectify them but please always be respectful to our volunteers when raising any issue.**

If rules are not adhered to you will be asked to leave the meeting
